Micklands LEGO After-School Club

We are delighted to be offering the opportunity for your child to attend our LEGO after-school club in Spring term 2026.

The Micklands Primary School after-school club will be structured around a different build project each week, covering a variety of themes and building techniques. The aim of each session is to inspire your child to use their own creativity and imagination to complete their individual LEGO creation. We will use our own LEGO building experience to give general assistance and specific help to put your children's ideas into practice, ensuring they get the most out of the session while also having fun.

In the first session club members will make their own LEGO minifigure to represent themselves which they can use in each future session.

Each session will run from 3:20pm - 4:20pm after school every **Wednesday** starting from the 14th January 2026.

Dates as follows:

14th Jan, 21st Jan, 28th Jan, 4th Feb & 11th Feb.
(5 weeks)

LEGO club will resume after the half term break commencing 25th February.

Dates as follows:

25th Feb, 4^h Mar, 11th Mar, 18th Mar & 25th Mar.
(5 weeks)

The club is open to all children from Year 1 to Year 6. The cost for the 10 weeks is £65.00 per child, which is £6.50 per week. No refunds will be given for missed weeks.

Please note that the LEGO creations cannot be taken home at the end of each session. However, photos of each child's build are uploaded to my Facebook page after each session. Please search using @YouSuperstarLtd

No after school snacks may be brought to LEGO club as other children may have allergies.

If you have any questions about LEGO club please do not hesitate to contact Erica via erica@you-superstar.com
