We want to let you know that, after careful consideration, we have had to increase the cost of our After School Club.
Like many organisations, we have experienced significant increases in our operating costs due to the ongoing rise in the cost of living. This includes higher staffing costs, utilities, supplies, and other essential expenses required to provide a safe, engaging, and high-quality service for children.

We have worked hard to keep fees as low as possible and have absorbed many of these increases where we could. However, to ensure the continued sustainability of the club and maintain the standard of care and activities we offer, a fee increase is now necessary. We appreciate your understanding and continued support
